### SERVING THE WORLD'S INDUSTRY

## Intel PIII Server Blade - HDB31670

| | |
|---|---|
| **Unique Features** | The Only PIII Blade fitted in 3U (18 Blades) Chassis<br>PCI 66/100 Expansion Support<br>Three Front Access LAN Ports (Two Gigabit and One Fast Ethernet Ports) |
| **Features** | Intel PIII and Celeron Computing<br>Up to 1GB Memory<br>Front Access Dual Gigabit Ethernet Ports<br>Front Access One Fast Ethernet Port<br>One PCI Expansion Slot<br>Onboard VGA |
| **Recommended Chassis for HDB31670 Blade** | HS318A |
| **Potential Applications** | Integrated Security Service Platform<br>Web-Centric Service Platform<br>Network Infrastructure Server |

## Specification

| | |
|---|---|
| **Processors** | Supports Intel PIII 1.26Ghz or Celeron 1.2Ghz |
| **Chipset** | ServerWorks LC-T |
| **Memory Type** | ECC Registered PC-133 SDRAM |
| **Memory Capacity** | Up to 1GB in One 168-pin Dimm Socket |
| **Disk Controller** | Onboard ATA 66 IDE Controller |
| **Storage** | Supports One 2.5" ATA 66 EIDE HDD or CompactFlash or Disk-on Module |
| **Graphics** | C&T69030 With 4MB |
| **Networking** | Onboard Two Gigabit Ethernet Ports and One Fast Ethernet Port |
| **Expansion Slot** | Supports One PCI 64bit 66mhz card |

## HDB31670 Blade at a Glance

Two BCM5701 LAN Chip
Two Gigabit LAN Ports
One 10/100MB LAN Port
Intel 82559 LAN Controller

PCI-X Slot
ServerWorks LC-T Chipset
PIII CPU
One ECC REG. SDRAM
