

Surface Mount Fiber Cabinet

Part Number: OR-615SMFC-96P

Description: Surface Mount Fiber Cabinet for Patching

This large volume cabinet accepts our popular Fiber Adapter Panels. The cabinet secures, protects, and organizes singlemode or multimode optical terminations. The Cabinet provides interconnect or cross connect facilities between horizontal and backbone inside plant (ISP) or outside plant (OSP) cables. Maximum capacity: 96 Fibers using SC, ST, and FC Adapters, 192 Fibers using MT-RJ and LC Adapters
