

## Weatherproof Push Buttons

*For Outdoor Use*

### 1786 Series

#### FEATURES

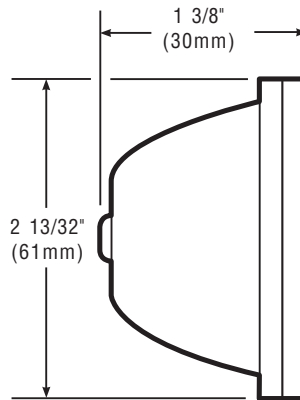

- > Surface mount
- > Solid brass construction
- > Normally open momentary contacts

Attractive, high quality weatherproof push button. The push button has a neoprene diaphragm to protect the integral, long-life, phosphor bronze contact springs. The 1786C-B has an additional bakelite back plate threaded for 1/2" (13mm) conduit.

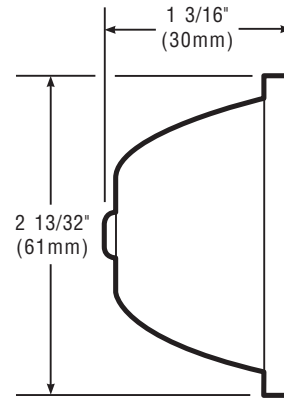

For exterior use at home, apartment and office.

#### SPECIFICATIONS
